DESCRIPTION

Unisex apron with a straight, one-size cut, made from a blend of 65% recycled polyester and 35% cotton. The straps are compatible with apron PR190 and provide secure, lightweight wear. The fabric balances durability and comfort, making it suitable for professional use in catering, workshops and stands while including recycled content.

The straps offer practical adjustability: a neck strap with a sliding buckle and ends with two press-studs, plus waist ties fitted with two press-studs at each end for quick fitting and easy adjustment. Available in several colours — for example Navy, Lime and White — to match your brand palette.

This personalised apron can be customised using Screen Printing, Transfer, DTF printing, Flex and Embroidery. Recommended for companies, sports clubs, associations, events and private customers. It can be ordered from one piece and our design studio can retouch or vectorise your logo for production.
