DESCRIPTION

The Long John women's crew-neck T-shirt is designed for a feminine fit, made from a soft, flexible blend (82% polyester, 14% viscose, 4% elastane). The woven-dyed stripe in the White/Navy option gives a neat striped effect while keeping the shirt comfortable for everyday wear. The fabric weight is 190 g/m², offering good drape and easy care.

The garment features a round neckline with a three-button placket and sleeves that can be worn long or rolled up using the tab-and-button detail. Ribbed trims at the neckline and sleeve hems provide a tidy finish. It comes in several colours including Black, White and White/Navy, and is offered in sizes XS to XXL.

This personalised T-shirt can be decorated using screen-print transfer, Transfer MSO, DTF printing or flex. It suits companies, sports clubs, associations, schools and private customers. Personalisation is possible from one piece and our graphic studio can retouch or vectorise your logo.
