DESCRIPTION

Women's straight-leg trousers in polyester, designed for spa or beauty environments. They feature a straight cut with a high, wide waistband, a concealed zip and two visible buttons at the front. The design omits pockets to maintain a smooth, flattering silhouette; the fabric appears robust and easy to care for. Available in 1 colour (Black) and sizes 38 FR to 46 FR.

A pronounced front crease structures the leg and visually lengthens the silhouette; the lack of pockets and the wide waistband ensure a neat appearance under a tunic or jacket. The zip closure with twin buttons provides secure wear. Practical for professional use where a polished look is required.

These trousers can be customised for teams and events: personalised trousers using embroidery, DTF printing, flex, screen printing or transfer techniques. Suitable for companies, clubs, associations, events and private customers seeking a professional, custom garment.
