DESCRIPTION

This unisex chef trouser features a straight cut and an elasticated waistband with drawcord for easy on/off and comfortable wear in busy kitchen environments. Constructed from serge (65% polyester / 35% cotton), it is designed for professional use with straightforward care: machine wash at 60°C for domestic laundering or up to 85°C for industrial washing. The inner leg measures 77 cm, providing ankle-length coverage on most sizes.

The model includes two side (revolver) pockets, convenient for small tools or service items. Clean finishes and a straight fit facilitate movement while the elastic waistband ensures a secure fit without a zip or button. Available in sizes XS to 4XL, and the trouser can be personalised from a single piece.

Customise this personalised trouser with embroidery, DTF printing, flex, screen printing or transfer (single-colour and multicolour). Suitable for restaurants, caterers, hospitality schools, clubs, associations and private customers. Our design studio can retouch or vectorise your logo.
