DESCRIPTION

Unisex trousers in a serge blend (cotton, polyester, elastane) designed for comfort during long shifts. They feature a straight cut with elasticated ankles and an elasticated waistband with a drawcord for an adjustable fit. A stitched faux fly and a leg length of around 82 cm give the trousers a neat, professional silhouette while retaining the ease of a jogger. Available in several colours including Indigo Denim and Black Denim, in sizes XS to XXL.

The design includes practical side pockets and two rear patch pockets for essentials. Belt loops allow the option of adding a belt; the fabric blend and stitching provide good freedom of movement and reliable wear for everyday use. Care is straightforward with machine washing following the manufacturer's instructions.

These personalised trousers can be customised from one piece using suitable techniques: embroidery, DTF printing, flex, screen printing and transfer. We can also apply embroidered badges. Ideal for businesses, hospitality, sports clubs, schools, associations and individuals wanting a coordinated, comfortable workwear solution.
