## DESCRIPTION

Men's cargo-style trousers designed for professional and everyday use. They feature a straight but slightly tapered cut, rolled hems and an elasticated waist with drawcord for easy wear and lasting comfort. The fabric blend of recycled polyester and cotton gives reliable structure and a practical hand-feel. Available in 1 colour (Black) and sizes S to 3XL.

The image highlights functional details: faux fly, rolled hems and multiple pockets including a side cargo pocket for tools or accessories. The tapered leg reduces bulk while maintaining freedom of movement, making these trousers suitable for busy shifts. Care is straightforward thanks to the polyester-cotton mix.

These trousers are available as personalised trousers from one piece, ideal for companies, sports clubs, associations, schools and individuals for teams, events or workwear. Customisation techniques include embroidery, DTF printing, flex, screen printing, transfers (1-colour and multicolour) and embroidered patches. We offer a graphic studio for logo retouching, free quotes in 24 h on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
