DESCRIPTION

Men’s straight-fit trousers in a stretch fabric (95% nylon, 5% elastane) designed for comfort and ease of movement. The waist features a concealed elastic band, belt loops and a button fastening for a secure, adjustable fit. Available in several colours including Black and Navy, and in sizes XS to 4XL.

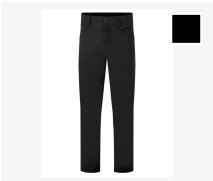

The trousers include multiple practical pockets — standard side pockets and at least one flap cargo pocket visible on the photo — useful for carrying tools or everyday items. The clean lines and smooth fabric give a smart, functional appearance suited to professional settings.

These personalised trousers can be customised from one piece through our graphic studio: embroidery, DTF printing, flex, screen printing, transfer and multicolour screen transfers are available depending on placement. Suitable for companies, sports clubs, associations, events and private customers who want a work or hospitality trouser that can carry your branding.
