DESCRIPTION

This unisex short-sleeve polo is designed for professional and community use where breathability and comfort matter. Made from 100% polyester bird's eye, the fabric wicks moisture and dries quickly, providing comfortable wear throughout the day. Its straight cut and clean finish make it a versatile piece suitable for teams, clubs or events. It is available in several colours, for example Black and Navy, and comes in sizes S to XXL.

The collar and placket are made from the same fabric and the press-stud closure ensures a neat, easy-to-use finish. Short sleeves and a simple hem allow freedom of movement; the hard-wearing fabric is low-maintenance and stands up to regular washing without fuss.

This polo can be personalised from a single item: we offer embroidery (embroidery), screen printing transfers (Transfert Sérigraphique), MSO transfers, DTF printing (DTF printing) and flex (flex). Suitable for companies, sports clubs, associations, schools and private customers looking for a personalised polo.
