DESCRIPTION

Men's long-sleeve chef polo in 100% recycled polyester, designed for comfort during service. It features a mandarin collar with a covered placket hiding two press-studs for a clean, practical look. A Coolchecker® mesh back panel improves airflow and side vents at the hem increase mobility. Available in several colours such as Black and White, and sizes XS to 4XL.

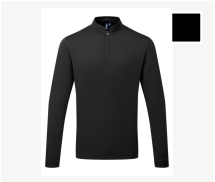

The polo has slim long sleeves and neat finishes at the hem and cuffs; the covered placket extends subtly down the chest. The technical fabric dries quickly and is easy to launder, making it suitable for heavy use in kitchen environments.

This personalised polo can be customised from one piece using Screen Transfer, MSO Transfer, DTF printing, Flex (vinyl) or Embroidery. Recommended for restaurants, caterers, hospitality schools, clubs, associations and individuals seeking a professional, durable garment.

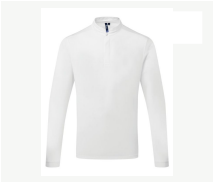

KEY FEATURES

- Coolchecker® knit back panel for air circulation.
