DESCRIPTION

Unisex chef-style blouse/jacket in a 65% polyester / 35% cotton twill, designed for professional kitchen use. It features a straight cut with a double-breasted, covered fastening and a low stand collar, long sleeves and neat finishes — a balance of flexibility and durability for frequent wear. Industrial washing up to 85°C and domestic washing at 60°C are possible per garment care instructions.

The jacket comes in several colours, including Black, Steel and White, and is available from XS to 4XL. Resin buttons provide durable fastening and the twill weave reduces wear in high-friction areas. The practical cut is suited to hospitality environments without additional alterations.

Can be personalised from 1 piece on a wide range of textiles: personalised blouse/jacket. Marking options: screen-transfer (transfert sérigraphique), MSO transfer, DTF printing, flex and embroidery. Recommended for restaurants, caterers, hospitality schools, associations and private customers; our graphic studio can retouch or vectorise your logo.
