DESCRIPTION

Unisex short-sleeve chef jacket in a twill blend of 65% polyester and 35% cotton, offering a soft hand and practical durability for daily use. The straight cut with a mandarin collar and stitched detailing provides a clean, professional appearance while allowing freedom of movement; the image shows the streamlined shape and elbow-length sleeves suited to kitchen work. It comes in several colours, for example Black and White, and sizes XS to 3XL.

The double-breasted front closes with ten press studs for quick on-and-off; collar and shoulder topstitching increase robustness. The garment accepts industrial washing at 85 °C or domestic washing at 60 °C, making it appropriate for demanding environments in catering and food service.

Customisable from one piece, this jacket is suitable as a personalised chef jacket using Screen Printing, DTF printing, Transfer, Flex or Embroidery. Ideal for restaurants, caterers, hospitality schools, clubs, associations and private customers. Our artwork studio can retouch or vectorise your logo before production.
