DESCRIPTION

Women's tunic tailored for beauty and spa professionals in a durable, easy-care polyester. Feminine fit with princess seams to shape the silhouette, short sleeves and side slits for freedom of movement. It features a rounded neck trim and an asymmetric front zip for practical wear; suitable for everyday professional use. Available in sizes S to XXL.

The visible princess seams and angled zip create a clean, professional line—straight hem and side vents enhance comfort during tasks. The fabric gives a smart, hard-wearing appearance while remaining simple to launder, ideal for regular use. Available in several colours, for example black.

Customisable from one piece, this tunic is suitable for companies, clubs, associations, events and private customers. Personalisation techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our artwork studio can retouch or vectorise your logo prior to production.
