DESCRIPTION

This unisex chef jacket is made from a 65% polyester / 35% cotton serge, designed for comfort and everyday durability. It features a straight cut with short sleeves, a mandarin collar and a central five-button resin fastening, plus a double pen pocket on the left sleeve. Suitable for heavy use with industrial washing up to 85°C and domestic washing at 60°C.

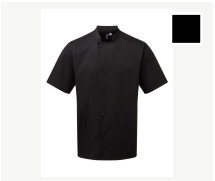

The serge weave gives a smooth yet hard-wearing finish; resin buttons provide a secure closure. Available in sizes XS to 4XL and offered in several colours, for example Black and White. The clean, functional detailing makes it practical for kitchen and service environments.

This personalised jacket can be customised from a single piece on a wide range of textiles using screen transfer (transfert sérigraphique), Transfert MSO, DTF printing, flex (flocking) or embroidery. Recommended for restaurants, caterers, hospitality schools, associations and private customers looking for professional personalised workwear.
