## DESCRIPTION

Unisex chef jacket with short sleeves, designed for professional kitchen use, featuring a mandarin collar and a straight cut for ease of movement. The garment is made from a 65/35 polyester/cotton blend with a Coolchecker® central back panel that improves moisture management for greater comfort during service. It has an overlapping closure with ten fabric buttons and short sleeves for easy care. Available in several colours, including Black and White, and in sizes XS to XXL. Domestic machine wash at 60°C.

Practical details include a double pen pocket on the left sleeve, hard-wearing resin buttons and a clean, professional finish suitable for restaurants and catering.
