Useful features for everyday kitchen use include ventilation panels under the arms and a double pen pocket on the left sleeve. The serge weave offers a balance of durability and flexibility; visible stitching reinforces the construction for repeated laundering and regular wear.

Suitable for companies, catering teams, culinary schools, associations and individuals, the jacket can be personalised with embroidery, screen printing, MSO transfer, DTF printing or flex (heat transfer vinyl). Orderable from one piece and ready to be a personalised jacket with your logo.
