Quadra · Ref. QD31

Reference	QD31
Brand	Quadra
Composition	100% Polyester
Material	100% Polyester
Average weight	310 g
Country of origin	China
Carton	50 pieces

DESCRIPTION

Unisex suit carrier made from 100% polyester 210D, designed to transport a suit or several shirts without creasing. The elongated shape follows the contours of hanging garments and the lightweight fabric is durable for regular use. A full-length zip allows easy access and a hanging loop lets you suspend the carrier on a hanger. Care is straightforward with a damp cloth wipe.

The carrier includes a name card pocket and a central zip for quick access to the garment. Practical finishing touches include reinforced stitching at stress points and a rounded base to accommodate the hem of a suit. One Size fits standard jackets and suits.

This personalised suit carrier can be customised from a single piece and accepts several marking methods: screen-print transfer, MSO transfer, DTF printing and flex (heat transfer). Suitable for companies, sports clubs, associations, events and private clients seeking a neat branded solution on a wide range of textile items.

KEY FEATURES

- In lightweight and resistant canvas.
- Option to carry a suit or three shirts.
