DESCRIPTION

Personalised backpack designed for outdoor use, offered in one size for men and women. Constructed from 100% recycled polyester with reinforced Cordura® fabric and a PFAS-free water-repellent finish, it is built for durability and adverse weather. The padded back panel and adjustable shoulder straps in breathable mesh provide comfort on long treks; it is compatible with a hydration bladder and includes an integrated high-visibility rain cover.

The pack features a top zip pocket for valuables, elasticated side pockets, double side compression straps and versatile attachment loops. Walking pole attachment points and a reinforced carry handle aid handling, while the detachable label makes rebranding straightforward. The photo shows a tall, streamlined shape with practical straps and closures for secure load management.

Order this personalised backpack from one piece for companies, sports clubs, associations, events or private customers. Possible techniques: screen transfer (Transfert sérigraphique), Transfert MSO, DTF printing, Flex (flocking). Our graphic studio can vectorise and refine your logo prior to production.
