DESCRIPTION

This 100% canvas shoulder bag is designed for everyday urban use. Its medium cut and padded base provide structure and comfortable wear; the washed canvas offers a supple yet sturdy feel. Suitable for men and women, the bag is easy to care for with a damp cloth to protect the fabric.

The bag features a main compartment with zip closure, twin rear slip pockets and multiple zipped pockets for organising documents and small items. The Rip-Strip™ fastening and adjustable strap improve practicality, while visible stitching and the padded base help the bag retain its shape in daily use.

This personalised shoulder bag can be ordered from a single piece and is compatible with several decoration methods: screen printing transfer, MSO transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo prior to production.
