DESCRIPTION

This personalised tote bag is crafted from waxed cotton canvas (100% cotton) with a roomy rectangular main compartment, lined interior and an internal pocket for valuables. A full-length zip gives easy access while leather trims and antique brass fittings add durable detailing. Carry by the webbing handles or use the removable, adjustable shoulder strap for shoulder wear.

Practical details include reinforced leather corner patches, stitched handle anchors and a concealed lining zip to secure the decoration. The washed canvas finish delivers a vintage look while remaining hard-wearing in everyday use. The bag is available in several colours, for example Black and Olive green.

Customisation options include screen printing transfer, MSO transfer, DTF printing and flex. Suitable for companies, clubs, associations, events and private customers: this personalised tote bag can be ordered from one piece and our studio can vectorise or retouch your logo.
