DESCRIPTION

Unisex backpack designed for outdoor use, offering a 35-litre capacity in durable 100% polyester with water-resistant fabric. It is ultra-light yet sturdy, featuring a breathable back panel and padded, adjustable shoulder straps for comfort on long walks. Elastic side mesh pockets and an internal pocket provide organised storage; trekking pole attachment points and reflective details enhance outdoor functionality. Care is straightforward thanks to the polyester construction.

Practical details include a detachable waterproof rain cover, a carry handle and a TearAway label that simplifies branding, plus an internal key hook. Compression straps and a stabilising hip belt improve fit and load management; main closures and straps are built for frequent use.

This backpack is available to personalise from one piece across a wide range of textile and accepts branding by screen printing transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, events and individuals looking for a personalised backpack for promotion or kit.
