Unisex waterproof backpack designed for outdoor and nautical use. Constructed from rigid PVC tarpaulin, it features a secure roll-top closure with clips and a waterproof zip to keep contents dry. The padded, ergonomic back panel and adjustable mesh shoulder straps provide comfort during extended wear, while an exterior mesh pocket and top carry handle add convenience. The detachable, reversible EasyPanel™ makes branding straightforward and a removable ID tag is included.

Durable workmanship, securing straps and reflective panels improve visibility and longevity in the field. The roll-top waterproof system (3 folds, 2 clips) and external mesh pocket make it practical for organising and protecting gear.
