DESCRIPTION

Compact shopping (totebag) in 100% polyester suitable for light everyday use. The unisex cut with long handles makes it easy to carry on the shoulder; the fabric appears thin and readily foldable. Available in several colourways (e.g. Black/Orange, Lime/Royal, White/Black) and one size, this personalised shopping (totebag) is customizable from a single piece.

The bag folds into a pocket located at one corner and secures with a drawcord on that pocket, making it very compact for storage. Contrasting trim and robust seams improve durability for repeated use, while the wide straps help distribute weight for more comfortable carrying.

Customisation options include screen printing transfer, MSO transfer, DTF printing and flex transfer. Suitable for companies, sports clubs, associations, events and private customers looking for a practical promotional or retail tote. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
