DESCRIPTION

Unisex polyester scarf in one size, offering substantial warmth and a soft handfeel. The fabric is treated to resist pilling and the scarf includes a zipped lining that is ideal for hiding the reverse of an embroidery or storing a small insert. Polyester edged finishes give the piece good structure and ease of care.

The discreet zipped pocket provides practical storage or conceals the back of a personalised mark; the wide cut wraps the neck for enhanced insulation. Available in several colours, for example Red, Black and Navy.

This personalised scarf can be embroidered from a single piece. Suitable for companies, sports clubs, associations, event giveaways and private customers; our graphic studio can retouch or vectorise your logo prior to embroidery.
