DESCRIPTION

Men’s softshell with a sporty cut that keeps you warm while remaining breathable. The stretchy, water-repellent outer layer combines with a TPU membrane and a microfleece inner for thermal comfort; a longer back panel improves protection. A YKK zip and soft finish ensure comfortable movement. Available in multiple colours, for example black, navy or grey, and in sizes S to 4XL.

Practical details include zipped side pockets, a vertical chest zip pocket and several internal pockets including a phone pocket. An adjustable drawcord at the waist and an internal storm flap enhance protection from wind and light rain. The soft, highly elastic fabric is comfortable for repeated wear and easy to care for.

Suitable as a personalised softshell for companies, sports clubs, associations or private customers: embroidery, flex, screen print transfer, MSO transfer or DTF printing are available. Our studio can retouch or vectorise your logo and the item can be personalised from a single piece.
