DESCRIPTION

Women's softshell with a sporty, tailored cut designed for comfortable everyday wear. The three-layer construction pairs a stretch outer (polyester/elastane) with a TPU membrane and a microfleece inner for warmth. The fabric is water-repellent, windproof and breathable, with a longer back panel for extra coverage. Available in several colours (including Black, Bottle Green, Grey) and sizes S to XXL, this personalised softshell can be ordered from a single piece.

The photo shows a stand-up collar and a front YKK® zip with an internal protection flap. You'll find zipped side pockets, a zipped chest pocket and an internal pocket; the hem is adjustable by drawcord. The finish is clean and the material appears matte and highly stretchy, allowing freedom of movement while retaining shape.
