DESCRIPTION

Unisex scarf in 100% acrylic, knitted double-layer for added warmth and a soft, non-itch feel. The one-size straight cut shown is simple and practical, with a clean edge rather than fringes, making it easy to knot and store. It is easy to care for and retains colour wash after wash, suitable for everyday urban wear or commuting.

The double-knit construction gives the scarf good structure and a smooth surface well suited to embroidery. The finish is neat and the fabric shows a subtle knit texture visible in the photo. Available in several colours such as Black, Charcoal and Navy, it pairs well with coats and outerwear.
