DESCRIPTION

This Holkham women's puffer jacket is cut close to the body for a modern fit and designed to provide warmth without bulk. Made from polyester with hand-filled insulation and a polyester lining, it is comfortable for everyday outdoor wear. It comes in several colours, including Black and Navy, and is available in sizes XS to XL.

Practical features include a front zip, two zipped side pockets, elasticated cuffs with adjustable hook-and-loop tabs and a drawcord at the hem to retain heat. Horizontal quilted baffles and a protective zip flap improve insulation and garment performance in daily use.

The jacket can be personalised from one piece and suits companies, sports clubs, associations, schools and private customers. Recommended marking techniques: screen print transfer, MSO transfer, DTF printing and flex (heat transfer vinyl). Our studio can also retouch or vectorise your logo before production.
