DESCRIPTION

The Holkham men’s down jacket is a warm yet lightweight outer layer designed for everyday wear. Hand-filled padding and a 100% polyester lining provide insulation while keeping the jacket comfortable to wear. A high collar and front zip guard against wind and the peach-skin feel of the fabric improves next-to-skin comfort. It comes in several colours such as Black and Navy and is available from S to 3XL.

The jacket features horizontal baffles, two zippered side pockets, elasticated cuffs with hook-and-loop adjustment and drawcords at the hem for a tailored fit. A protective flap over the front zip and clean finishing help retain warmth and longevity through regular use. Care instructions are suited to polyester garments.

This personalised down jacket can be customised from a single piece for companies, sports clubs, associations, schools and private customers. Marking options include screen printing, MSO transfer, DTF printing and flex (flock). Our in-house studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
