DESCRIPTION

The Snowbird women's down jacket features a fitted silhouette with an integrated adjustable hood, designed to deliver warmth without bulk. Constructed in nylon with polyester filling, the jacket has a soft, breathable feel and a quilted construction that packs away easily while providing reliable insulation and comfort for everyday outdoor wear.

The photographed model shows a central zip, zipped side pockets, regular horizontal quilting and soft elasticated cuffs for a neat finish around the wrists. The fabric is water-repellent and wind-resistant, making it suitable for outdoor tasks and commuter use. Available in sizes XS to XXL and several colour options, such as Black / Lime, Grey / Orange or Navy / Yellow.

This personalised down jacket can be decorated by screen printing (screen printing), transfer, DTF printing or flex (heat transfer vinyl), depending on the finish required. Well suited to companies, sports clubs, associations, schools and private customers; customisation is possible from one piece and our studio can vectorise or retouch your logo.
