DESCRIPTION

This men's down jacket features a tailored cut and horizontal quilting that provides warmth without bulk. Constructed from lightweight nylon with hand-filled insulation, it has a soft, airy handle and packs away easily. It includes an integrated adjustable hood, elasticated cuffs and a front zip, and is offered in several colours in sizes S to XXL.

Practical zippered front pockets keep hands warm, while neat finishing around closures improves wind resistance. The water-repellent fabric makes it suitable for outdoor work or commuting in changeable conditions, and its synthetic construction keeps care straightforward.

This personalised down jacket can be marked by screen printing transfer, MSO transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, schools, events and private customers; customisation is available from one piece and our studio can vectorise or retouch your logo.
