Label	Sewn-in label
Standards	EN 1150:1999
Country of origin	China
Carton	50 pieces

DESCRIPTION

Children's hi-vis vest with a roomy cut to wear over other clothing, made from 100% polyester. It meets EN1150:1999 and combines lightweight construction with durable finishes, including 50 mm sewn reflective bands for increased visibility. Fastens with Velcro for quick on/off. Offered in several colours such as fluorescent orange and fluorescent yellow, and available in three child sizes (4/6 yrs to 10/12 yrs).

Practical details at use: grey bound edges reinforce the shape, sewn reflective strips encircle the garment and the straight cut allows freedom of movement. The vest should be worn closed and kept clean to maintain its effectiveness.

Customisation available from one piece: we provide personalised vest options using screen printing transfers, MSO transfer, DTF printing, flex or embroidery. Well suited to schools, youth groups, clubs, associations and events.

KEY FEATURES

- Loose comfortable fit.
- Resistant and hard-wearing fabric.
