DESCRIPTION

This unisex high-visibility vest is made from 100% polyester and meets EN ISO 20471 category 2. Its roomy cut allows wearing it over other workwear, while the lightweight, durable fabric provides practical comfort on site; keep the garment clean to ensure ongoing effectiveness.

The vest features two vertical reflective stripes at the shoulders and two horizontal bands around the body, all sewn with 50 mm reflective tape. Edges are bound in polyester and the vest fastens with Velcro for quick securement. Available in several sizes (S/M to XXL/3XL) and multiple colour options, it is designed for everyday professional use.

We offer personalised high-visibility vest printing by screen printing (Transfert Sérigraphique), MSO transfer, DTF printing, flex (flocking) or embroidery. Suitable for companies, sports clubs, associations, schools and individuals who need clear, durable identification. Personalisation possible from 1 piece.
