Carton	50 pieces

DESCRIPTION

Unisex safety vest certified to EN ISO 20471:2013 class 2, designed to be worn over other clothing thanks to its roomy cut. This polyester vest features a central zip and a transparent chest pocket sized for access badges (95x60 mm). Reflective 50 mm tapes are sewn on — two vertical over the shoulders and two horizontal around the body — with grey bound edges for a clean finish. The garment should be kept clean to maintain its visibility performance.

The generous fit ensures freedom of movement while the lightweight fabric makes it practical for construction, logistics, reception or security duties. It is available in several colours such as Fluorescent Orange and Fluorescent Yellow and in sizes S/M to XXL/3XL.

The vest can be personalised from a single piece and is suitable for companies, sports clubs, associations, events and private customers. Marking options include embroidery, screen printing (transfers), DTF printing, flex and Transfert MSO, positioned on the back, chest or pocket.

KEY FEATURES

- Practical, easy-to-use zip fastening.
- Transparent pocket for access badges.
- Loose comfortable fit.
