DESCRIPTION

Unisex softshell jacket designed for everyday and professional use. Sporty, comfortable cut with a TPU membrane providing waterproof and breathable protection and a grey microfleece lining for added warmth. Outer fabric is 100% polyester, soft and highly stretchable, with easy-care properties. Available in several colours (including Black, Navy, Red) and sizes S to 3XL.

The pictured model shows a stand collar and a central zip fastening, a slightly longer back for improved coverage and two zipped front pockets. Clean finishing details and the fleece lining visible at the collar indicate enhanced thermal comfort without bulk. The sporty fit allows freedom of movement.

This personalised softshell can be customised from one piece with support from our studio: screen printing (transfer), MSO transfer, DTF printing, flex or embroidery are available. Ideal for companies, sports clubs, associations, events and private customers seeking a technical, smart jacket.
