DESCRIPTION

Unisex safety gilet made from polyester and certified to EN ISO 20471:2013 category 2, designed to be worn over other clothing. It features a generous, comfortable cut, front Velcro fastening and 50 mm stitched reflective bands using 3M™ Scotchlite™ material for increased visibility. The durable fabric suits regular use on sites, at events or during outdoor work.

Finishing includes piped edges and a straightforward cut for easy on/off. Available in several colours such as Fluorescent Orange and Fluorescent Yellow, and in sizes from L/XL to XXL, it offers practical safety without restricting movement.

This personalised gilet can be customised from one piece on a wide range of textile and accepts screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Suited to companies, sports clubs, associations, events and private customers wanting clear, durable visibility.
