DESCRIPTION

Unisex 3-in-1 parka designed for weather protection with a smart, practical cut. The outer shell is coated polyester with a mesh lining; the integrated removable bodywarmer is taffeta with diamond quilting and 140 g/m² padding for extra insulation. A hood tucks into the collar and a full-length zip secures the jacket against wind. Available in several colours such as Black and Navy, sizes range from S to 4XL.

Practical details include two front pockets with protective flaps, elastic adjustable cuffs and fully taped seams for enhanced water resistance. The inner bodywarmer adds two zipped side pockets and a right internal chest pocket for secure storage. The polyester construction makes the parka easy to care for.

This personalised parka can be customised from one piece by embroidery, DTF printing, flex, screen printing transfer or Transfert MSO.
