For	Unisex
Fit	Loose
Label	Tear-away (ideal for branding)
Standards	ISO 20471:2013 class 3
Country of origin	China
Carton	10 pieces

DESCRIPTION

This unisex parka is built for outdoor protection and wearer comfort. Constructed from PU-coated polyester Oxford with Polar-Therm insulation and a polyester lining, it provides strong thermal protection while the generous cut allows layering; available sizes range from S to 4XL. The stand-up collar and concealed hood add weather protection, and the full-length, heavy-duty two-way zip with protective storm flap helps keep out wind and rain.

Designed for practical use: welded seams for water resistance, two large flap pockets at the hips and an internal pocket for valuables. 50 mm stitched reflective tape around the chest and sleeves ensures visibility in hazardous environments. The photo shows a longer length and straight cuffs that enhance coverage and freedom of movement on site.

This personalised parka can be marked by screen printing (screen printing), MSO transfer, DTF printing, flex (flocking) or embroidery, depending on the desired finish. Suitable for companies, sports clubs, associations, schools, youth movements and private individuals; customisation is available from one piece and across multiple sizes.
