Country of origin	China
Carton	20 pieces

DESCRIPTION

Unisex high-visibility trousers designed for work settings, made from PU-coated polyester. They have a straight cut with an elasticated waistband and drawcord for an adjustable fit, plus a leg opening to pull the trousers on over boots. Thermally bonded seams enhance protection and two reflective bands on the legs improve visibility. The fabric is built for professional use and should be cared for according to the manufacturer's instructions.

Practical features include two side pocket accesses and a rear key pocket, useful on site or during outdoor tasks. Details such as the elastic waist and leg openings make the garment easy to put on and comfortable for long shifts. Available in several colour options and sizes from S/M to XXL.

This personalised Pantalon/Pantacourt can be customised from one piece on a wide range of textiles. We offer embroidery, DTF printing, flex, screen printing, transfer printing (single and multicolour) and embroidered badges. Suitable for companies, sports clubs, associations, schools, youth movements and private customers who need high-visibility workwear with your logo.
