DESCRIPTION

Unisex jacket made from PU-coated polyester with a fleece-lined body for thermal comfort and quilted padding for extra insulation. The straight cut, integrated hood within the collar and full zip closure offer wind and weather protection. Available in several colours, for example Black, Grey and Navy, and in sizes S to 3XL.

Sealed (thermally taped) seams provide waterproof performance, while the elasticated hem and adjustable cuffs improve fit and retention. Two side pockets and a right inner chest pocket provide useful storage. Detachable label simplifies relabelling for organisations.

This personalised jacket can be ordered from a single piece and suits companies, sports clubs, associations, schools and private customers. Customisation options include screen printing (screen printing), DTF printing, flex (heat transfer) and embroidery; our design studio can also retouch or vectorise your logo.
