DESCRIPTION

Children's softshell with hood, unisex sporty cut, designed for school use and outdoor activities. The three-layer construction pairs a stretchy outer face (93% polyester, 7% elastane) with a TPU membrane and a microfleece inner for added warmth and comfort. The fabric is soft and highly elastic, with a durable water-repellent finish and windproof properties to protect from light rain and wind. Available in several colours and in sizes from 5/6 to 13/14 years.

The jacket features an integral hood, front zip with chin guard, side pockets and a slightly longer back panel for better coverage. Reflective elements front and back improve visibility. The sporty fit and soft inner layer make it comfortable for active children and everyday wear.

This softshell is available to personalise from one piece and suits schools, sports clubs, associations, companies and private customers. Personalisation techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Our design studio can vectorise or retouch your logo and place the customisation where needed. Personalised softshell for schoolwear, outings or events.
