DESCRIPTION

Unisex work coverall in PVC-coated polyester, designed to provide full protection from rain. The loose fit allows layering; features an integrated elasticated hood, full-length zip fastening and an adjustable hem with drawcord. The trousers have an elasticated waist, adjustable ankles and fully taped seams to ensure waterproofing. Practical and easy to care for for outdoor tasks.

Useful details include two roomy front pockets on the jacket, a mesh back vent to improve breathability and elasticated inner cuffs with a protective storm flap closed by press-studs. The trouser's side access pockets allow access to garments worn underneath. Available in several colours (e.g. Black, Navy) and sizes S to XXL.

Ideal to personalise for maintenance teams, companies, clubs or events: this personalised coverall can be decorated by Screen printing, Transfer, DTF printing, Flex or Embroidery. Orderable and customisable from 1 piece; our studio can retouch or vectorise your logo.
