DESCRIPTION

Men’s softshell with a straight cut, built as a 3-layer construction: a stretch outer (93% polyester, 7% elastane), a breathable TPU membrane and a microfleece inner for added warmth. The hood is stowable and adjustable; the jacket comes in sizes S to 3XL and several colour options such as Black/Grey, Navy/Royal and Red/Black. The fabric has a durable water-repellent finish and windproof properties for outdoor use.

Functional details include zipped side pockets and a zipped chest pocket for secure storage, an internal storm flap at the main zip and decorative panels front and back for improved fit. The stretchy material provides good freedom of movement for professional teams, workwear or association activities.

Suitable for companies, sports clubs, associations and events. This garment can be personalised from a single piece and is compatible with embroidery, screen print transfer, MSO transfer, DTF printing or flex. Personalised softshell for corporate and community use.
