DESCRIPTION

Women's softshell with a fitted cut, designed for active comfort. The stretch two-layer fabric pairs a 100% polyester outer that is water-resistant and windproof with a micropolar inner layer for added warmth. Available in several colour options and sizes XS to XXL; machine washable at 60°C following the care label.

The photo shows a high collar with a YKK front zip and chin guard, zipped side pockets and elasticated cuffs — practical details for everyday use. Decorative stitching highlights the tailored silhouette while the microfleece interior provides extra comfort without bulk.

This personalised softshell is ideal for companies, clubs, associations, schools and private customers. Customisation techniques available: screen printing (transfer), MSO transfer, DTF printing, flex (flocking) and embroidery. Can be personalised from one piece, with logo vectorisation and graphic adjustments handled by our studio.
