DESCRIPTION

This children's padded jacket is made for outdoor use: windproof and water-repellent polyester that is lightweight yet warm. Sized for ages 2/3 to 13/14 (7 sizes), it features an attached hood continuing from the collar for added protection. The jacket shows horizontal quilting, an inner lining and a hanging loop so it packs away compactly. A practical personalised padded jacket for kids.

Key details include a central zip, zipped pockets to secure small items, binding at the cuffs and hem to reduce drafts, and reflective bands at the sides for improved visibility. The construction makes it easy to fold and store.

Customisation available on a wide range of textile, from one piece. Suitable marking techniques: screen transfer, MSO transfer, DTF printing, flex. Recommended for schools, sports clubs, associations, events and private customers who need a warm, visible jacket with your logo.
