DESCRIPTION

Unisex quilted jacket offering warmth and weather protection with a contemporary fit. The body is quilted with recycled polyester insulation and a fleece lining for added comfort; a TPU membrane provides protection from the elements while maintaining breathability. The straight cut visible in the photo makes it suitable for both professional and casual wear, and the fleece-lined hood adds extra warmth.

The jacket features a front YKK zip with chin guard, zipped pockets and bound cuffs to reduce drafts. The integrated hood and the stitch detailing ensure the jacket holds its shape during movement. Available in multiple colourways (for example Black / Grey, Black / Lime, Black / Orange) and in sizes XS to 3XL.

This model can be personalised from one piece and is suitable for businesses, sports clubs, associations, events and private customers. Marking is possible by embroidery (logo on chest, back or sleeve). Our graphic studio can vectorise or retouch your logo prior to production. Consider this as a personalised quilted jacket for your team or promotion.
