DESCRIPTION

This unisex quilted bodywarmer features a longer cut and lightweight polyester construction that is windproof, water-resistant and breathable, suitable as an outer layer for outdoor work or events. The stand-up collar protects the neck while the bound armholes and hem deliver a clean fit and ease of movement.

The jacket shows horizontal quilting that evens out insulation and provides a structured look. A front zip with chin guard and zipped side pockets add functionality and secure storage. Available in several colours such as Black, Navy and Grey, and in sizes XS to 4XL, it is easy to care for following the manufacturer's guidance.

This personalised bodywarmer can be customised from 1 piece using embroidery, screen printing, DTF printing, flex or transfer (Transfert MSO). Ideal for companies, sports clubs, associations, schools and private customers; our studio can also retouch or vectorise your logo before production.

KEY FEATURES

- Environmentally-friendly materials.
