DESCRIPTION

Unisex work jacket, the Parka Vostex combines a 300D polyester Oxford outer with PVC coating and polyester insulation to protect against wind and rain. Its generous cut provides ease of movement; the diamond-quilted lining and knitted collar add thermal comfort. The hood is adjustable and detachable, making the jacket practical for demanding professional use.

Functional details include a two-way front zip with a protective flap secured by Velcro® and snap buttons, reflective piping, ribbed cuffs with Velcro adjustment and a drawcord hem. Multiple pockets (patch pockets with Velcro, hand-warming pockets and an internal chest pocket) plus Dobby panels improve fit and utility. Removable zip pull tabs are supplied.

Customised jackets are available from 1 piece on a wide range of textiles; the Parka Vostex accepts embroidery, screen printing transfers, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, schools and private clients who need an insulated, identifiable work jacket.

KEY FEATURES

- Wide fit for ease of movement.
- Adaptable and comfortable elasticated waistband.
- Insulating jacket that retains heat.
