DESCRIPTION

Designed for women who need practical workwear, these trousers combine a straight cut with an elasticated waistband for a comfortable fit. Made from a polyester-cotton twill blend, the fabric provides robust structure suitable for daily wear. Functional features include deep side pockets and a multi-use cargo pocket; knee pad pockets and reinforced stitching at stress points improve durability. A 4 cm hem allows for length adjustments when required.

Useful details visible on the product are a button with zip fly, hammer loop, and large cargo pockets with flap and reflective trim to aid visibility. Double stitching and reinforced knees are intended for long-lasting performance under demanding conditions. This women’s style is available in 1 colour (Black) and sizes 36 FR to 46 FR.

These personalised trousers can be customised from one piece for companies, sports clubs, associations and individuals using embroidery, screen printing, flex, DTF printing, screen print transfers (1-colour and multicolour), embroidered patches, pad printing and digital printing on items. Our design studio can vectorise or refine your logo prior to production.

KEY FEATURES

- Reinforced seams for hard-wearing resistance.
