DESCRIPTION

Work trousers for men in a 65% polyester / 35% cotton blend, built for on-site use. Straight fit with an elasticated waist, button and zip fly, articulated knee seams and double-stitched reinforcements on high-stress areas for extended durability. The style is available in several colours, for example Black, Grey and Navy, and in sizes S to 3XL. The fabric has a robust feel suitable for heavy use and is easy to care for.

Designed for practical use with multiple pockets: large side pockets, a cargo pocket with Velcro® flap, a phone pocket, rear pockets with Velcro®, a rule pocket and a hammer loop. Reflective trims on some pockets and reinforced knee panels increase safety and functionality during work.

These trousers can be personalised from a single piece and are ideal for companies, clubs, associations, schools and individuals seeking personalised workwear.
