DESCRIPTION

Unisex work jacket in a 80% polyester / 20% cotton blend, designed for professional use. The roomy cut with an elasticated waist and a stand-up collar gives freedom of movement while offering wind protection. It features a zip closure with an outer protective flap fastened by press-studs, adjustable press-stud cuffs and reinforced seams at stress points for long-lasting performance. The fabric retains its water-resistant properties for up to 12 washes.

The jacket has multiple practical bellows pockets with flap closures and contrasting trim visible on the product image, plus a hanging loop and a D-ring for tools. Reinforced panels on shoulders and elbows and robust finishes contribute to its durability in daily work situations.

This personalised jacket can be customised from one piece and is suitable for companies, sports clubs, associations and events. We apply embroidery, DTF printing, flex, screen printing and transfer techniques depending on the desired result. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery across Belgium, France and Luxembourg.
